The EPA team is available either for a 9:00 call or a 3:00 call. Please let us know what works best for all of you.
Thanks.

Please don't call the conference number I provided to you earlier today. If you do, you'll be on the Tonawanda Coke cleanup call with the Clean Air Coalition of western New York. On the other hand, if you're bored, knock yourself out

waiting on word from a few folks re: tomorrow call in the PM, Liz may be making those arrangements, stay tuned
